The Fryeburg Water Company and its Rates,  
Service and Plans for Improvements

PROCEDURAL ORDER

---

This Procedural Order reflects the agreements made by the Fryeburg Water Company (Company) at the Prehearing Conference held at the Commission on August 31, 2004.<sup>1</sup>

As agreed to at the Conference, the Company should file the following information by September 23, 2004:

1. a request for Commission approval of the arrangement between Pure Mountain Springs (PMS) and the Company for the Company to use PMS's well on the Porter Road (Transcript, Page 53);
2. the general rate case information required by Chapter 120 § 5(C) (Transcript, Page 47);
3. a description of all contacts with possible funding agencies and the results of those contacts since the time of the Conference including Maine's Safe Drinking Water Program and Federal Rural Development Office (Transcript, Page 71); and
4. a copy of the agreement with the Company's currently contracted engineers describing the planned scope of review for an examination of the costs of a new transmission line, relining the existing line and any other options (Transcript, Page 79). This should include the date the information from the engineers will be available.

The Company should notify the Commission immediately if any of the information will not be available on September 23, 2004.

A Technical Conference will be held at the Commission on October 13 at 9:30 a.m. to allow parties to ask questions about the filings. To facilitate the process, parties may send
